

# Technical Data Sheet

## Conventional Waterheater - Electrical

|                       |                        |
|-----------------------|------------------------|
| Directive 2010/30/EU  | Regulation EU 812/2013 |
| Directive 2009/125/EC | Regulation EU 814/2013 |
| Test acc. to Standard | prEN50440 : 2014       |

|                    |                           |
|--------------------|---------------------------|
| Trade mark         | METRO THERM AB            |
| M.T. item number   | 1312021601                |
| Model / identifier | 2002R, 1825<br>1312021601 |

|                                                                       |                |
|-----------------------------------------------------------------------|----------------|
| Load profile                                                          | L              |
| Energy efficiency class                                               | C              |
| Energy efficiency                                                     | 38,7 ( % )     |
| Annual electricity consumption                                        | 2647 ( kWh/y ) |
| Thermostat temperature setting                                        | 57 ( °C )      |
| Sound power level                                                     | 15 ( dB )      |
| Off-peak                                                              | No             |
| Smart Control ( 0 = No, 1 = Yes )                                     | 0              |
| Smart Control Factor                                                  | --- ( % )      |
| Energy efficiency, Smart Control = 1, but Smart Control is turned off | --- ( % )      |
| Power of heating element                                              | 3,0 ( kW )     |
| V40 - Volume of mixed water at 40 °C                                  | 258 ( L )      |
| Storage volume                                                        | 198 ( L )      |

|          |            |
