

Product information

Grooved tubes, standard goods

Product information

Tubes manufactured in accordance with SS EN 10217 -1 "Welded steel tubes for pressure purposes"
Manufacture ISO 9001 certified

Dimensions and weight in accordance with SS EN 10220 "Dimensions and masses per unit length"

Wall thickness of standard tubes in accordance with ISO 4200 Series E

Steel grade P235TR1

Cold-formed tubes

Internal weld bead removed

Rolled groove in accordance with Victaulic standard roll groove

Delivery length 6 meters

Length tolerance +0/-5 mm

Hot-dip galvanizing is performed in accordance with SS EN 10240 A1 "Internal and/or external protective coatings for steel tubes"

Table A1 inside 55 my/at weld bead 28 my

Grey colour, RAL 7012

Grooved tubes, standard goods

Untreated, length 6 meters

Item No.:	Description
9500557	42.4 x 2.6
9500552	48.3 x 2.6
9500554	60.3 x 2.9
9500546	76.1 x 2.9
9500553	88.9 x 3.2
9500555	114.3 x 3.6
9500562	139.7 x 4.0
9500556	168.3 x 4.5

Grooved tubes, standard goods

Galvanized, length 6 meters

Item No.:	Designation
9500565	42.4 x 2.6
9500566	48.3 x 2.6
9500567	60.3 x 2.9
9500569	76.1 x 2.9
9500570	88.9 x 3.2
9500571	114.3 x 3.6
9500572	139.7 x 4.0
9500573	168.3 x 4.5
9500568	219.1 x 6.3

Grooved tubes, standard goods

Grey protective coating, length 6 meters

Item No.:	Designation
1341240	60.3 x 2.9
1341241	76.1 x 2.9
1341242	88.9 x 3.2
1341243	114.3 x 3.6
