

STATEMENT OF COMPLIANCE

Grimsås 18 August, 2020

Statement of compliance for Drinking water

We hereby confirm that the sheathing material in Nexans cables type A-Sub Cable is in compliance to Statens Livsmedelsverks kungörelse LIVSFS 2011:7 (referring to Regulation EU 10/2011).

The materials used as a sheath fulfil above requirements concerning coming in contact with drinking water.

A handwritten signature in blue ink, appearing to read 'HB' or similar initials.
