

Art.nr.: 2405150

EAN 13: 7340074402298

Internationell beteckning: CEE power extension cable 10m

Motorkablar CEE 10m

CEE Power extension cable- a 5-pin CEE plug and coupling with sealing flap.

Ideally suited for tough outdoor applications, whether on construction sites, in industry or in commercial areas. The power cable with a rubber-neoprene jacket is also oil and UV-resistant.

Specifications:

- Cable length: 10m
- Cable designation: TITANEX H07RN-F 5G6
- CEE coupling and plug: 400V/32A
- IP44
- Oil and UV-resistant

Spänning, klass Uo/U
450/750 V

Installationstemperatur, område
-25 ... 60 °C

UV-beständighet
Ja
